YEARLY ACCOUNTING PACKAGE

NOVEMBER 2020 | PAGE 2

Are you a startup/SME business owner who spends so much time selling your product/service and building your client base that you simply don't get time to do your firm's accounting?

Even if you try to do accounting on your own, the additional workload will not be sustainable for long considering the business growth.

Do you want a solution wherein you get your expenses and invoices organised and get financial reports showing top line summaries which will help you take decisions based on the big picture?

OUR 'ONCE A YEAR' ACCOUNTING SERVICE PACKAGE IS DESIGNED FOR ALL SUCH BLOOMING SME ENTREPRENEURS.

WE OFFER THE FOLLOWING SERVICES THEREIN:

- Entering your accounting transactions
- Preparing financial reports
- Reviewing reports with you
